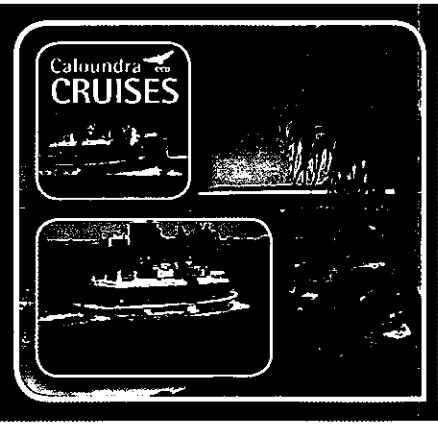
Caloundra Cruises

Caloundra Cruise operates a very popular, multi-award-winning daily cruise schedule in Caloundra's magnificent marine park.
Enjoy superb vistas across Bribie Island National Park, pristine sand cays, abundant bird life and a wonderful insight into the areas rich seafaring history. You also visit the luxury canal side homes of Pelican Waters with an optional stop for lunch on the water. With more than 32 kms of waterway to explore, this 90-minute cruise is a great introduction to the area.
For lovers of birdlife (and a great Aussie morning tea) we offer a weekly two-and-a-half hour eco-cruise south into the Pumicestone Passage. Our qualified guide is on hand to point out the flora and fauna. Binoculars are supplied, but dont forget your camera to make the most of this wonderful still-water adventure.
Caloundra Cruise vessels feature undercover cushioned seating and open top viewing decks. You can join a cruise any time of the year.
For more information ring Rose at (07) 5492 8280 or enquire at reception www.caloundracruise.com



Sunshine Coast Coastal Walks

Jan and Daryl Robinson are the co-founders of this successful tourism venture and have been operating since 2007. They provide self-guided and guided walks to locals and visitors enticing them to discover the beautiful coastal scenery around Caloundra. Whether you choose a single day walk enjoying the distance of your choice, or relish the challenge of completing more active walks over two or more days, you will have a unique experience.
Just north of Caloundra an easier 7 km walking track meanders through coastal banksia, with pockets of remnant rainforest in the Currimundi recreation reserve. The delightful amble from the Currimundi lake, across the boardwalk bridge which crosses Coondibah Creek, and then out onto the beach, past the steel ribs of wreck SS Dicky and finishing up at the spectacular Moffat Head makes for a great day. From this vantage point you may even view whales during their migration season. An option to walk the entire 26.8 km from Point Cartright to Caloundra in a day exists also.
Clients can opt to receive a survival pack. They also provide either vouchers to stop for refreshments at the various positioned cafes along the routes, or a packed morning or afternoon tea.
